Old Business:

1. Share with the committee any recent experiences with sharing any AA approved literature at a meeting, with a sponsee, with another AA member, or in any other setting.

Dan K. – using AA.org to research literature at meetings and service meetings

Jim M. – Using TFC Workbook and TFC Guidelines to resolve questions regarding providing literature for Treatment Facility meetings.

2. Discussion on how the literature committee chair, and the committee itself can be more cooperative in working with the other SETA service committees.

Dan suggested attending other Area Service Committee Meetings to see how we can be of service and bring up awareness of available literature.

3. Discussion on SETA Literature Committee's pamphlet packet that is designed for using at an AA meeting/convention.

a) Ideas for changes and improvements.

(b) Thoughts on how many pamphlets, and which ones to include.

(c) How to make packet cover more appealing.

(d) What to say to persons visiting the literature display to create interest in the packet.

Dan suggested we discuss this after new rotation

Question: What can I do to be a positive source of AA conference approved literature awareness?

1. Speak up at any appropriate AA meeting opportunity about the Literature Committee's purpose, and how you are involved with that goal.

2. Use AA.org to find literature to answer questions in meetings and service.

3. Attend other Area Service Committee meetings to bring awareness of Workbooks, Guidelines, Service Material, and Pamphlets.

Ask a question of your choice!

What can we do at SETA Convention to bring awareness to Conference Approved Literature.

Next Meeting: To Be Determined

Close Meeting: Responsibility Statement: "I am responsible. When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible."
