QUARTERLY NEWSLETTER

APRIL 2019

## DELEGATE

**Hello South East  
Texas Area 67!!**

Happy New Year SETA and Happy New Rotation! I am honored to have been selected as your Southeast Texas Area Delegate for the 69<sup>th</sup> Panel of the General Service Conference. I am humbled by your faith and trust in me, I promise to do my best to not break AA while in New York. I am equally excited to work alongside the amazing panel here at home. Our Area Officers, DCMs and Committee Chairs are all amazing servant leaders and I know that they will serve the area well.

I have been assigned to the Finance Committee for the General Service Conference and will serve on that committee for the next two years. I will be honest and say that it is the absolute last committee I would have selected however; I trust that God has a plan and I am willing to suit up and show up.

I know that SETA has a busy year ahead of us with hosting the Texas State Convention, The Southwest Regional Forum and the National AA Correctional Facilities Committee Conference. If there has ever been a time to get in the middle it is now. There will be plenty of opportunities to be of service so, don't be shy, raise your hand and volunteer. I promise you that being of service will only strengthen the gift of sobriety you have been so freely given.

So, I will do my best to keep the lines of communication open with news and information from the General Service Office and the Trustees, but I encourage you all, if you are not already subscribed to Box 459 to become a subscriber. This quarterly news bulletin is filled with information about AA services, literature, events and sharing from groups, service committees and individual members from the US and Canada. To become a member you can either register online for a free digital copy or receive a hard copy buy mail for a fee of \$3.50. You can find subscription information by going to [www.aa.org](http://www.aa.org) and searching for Box 459, or feel free to ask me more about it.

Again, I am thrilled to be of service to the Area and I look forward to working with you all. So, keep coming

Back...more will be revealed!

Best,

*Troy*

## ALTERNATE DELEGATE

Wow. I will try to do better with my Newsletter article responsibility as your Alternate Delegate than I did as your Chair. I don't have a lot to report yet, other than I have already begun following Troy to the far reaches of our Area. We went to visit District 33 in Bryan/College Station last weekend, and he did a great job facilitating some district business discussions. Rick went along too-safety in numbers, my sponsor always says.

No sooner was I home from the October Assembly and I began to receive emails from Delegates from all over the country congratulating and encouraging me on my new position. So far, I think about 50 of them have sent me welcoming emails. I love AA. I even responded to all of them-not sure if that was expected but it did seem like good manners. Looking forward to putting faces with the names at my first SWARDA in March. Never thought I'd be excited about going to Oklahoma.

I look forward to working with the host districts on this year's Gratitude Dinner. About all I can tell you about that is that it's going to be somewhere on the west side of the Area.

I also look forward to helping with the SW Regional Forum which will be in our Area this year, although I'm really not excited about staying at the Sheraton twice in one month.

I like the current panel number. Hehe

In service,

Kris H.

Alternate Delegate, Area 67 Panel 69

## CHAIR

Here we are at the beginning of another rotation of officers, committee chairs, liaisons, DCM's and GSR's. Having rotated into and on from a handful of positions now, I am beginning to recognize some familiar feelings at the beginning of a new position. I think it is a mixture of excitement, a little self-doubt, and a little fear of the unknown. Whether it was rotating in as GSR, DCM, CPC Chair, Registrar and now Area Chair, self-doubt wants to creep into my psyche: Can I do this? What if I make a mistake? What if there is something I don't know how to do? Well, in each of the above-mentioned roles, I did make mistakes. There were times I was unsure what to do. Guess what? I learned from those mistakes. Those that have gone before were right there to help me along with the things I was unsure of. An experienced service sponsor and a loving recovery sponsor guided me. I grew from stretching myself into new areas. I got the job done, though it wasn't perfect or always pretty. The world of Alcoholics Anonymous continued right along. Maybe I am the only one who has felt such feelings and had such experiences, but I'm inclined to doubt it.

Upon arriving at the conclusion of the rotation of each of my service positions, I have looked back and told myself, "Wow, that was kind of fun! I believe I am leaving that position just a tiny bit better than when I rotated into it. Now, what I can do to make it an easier transition for my successor?"

So, welcome fellow trusted servants to the 2019-2020 rotation of Area 67. May our mistakes be learning experiences and not too harmful to Alcoholics Anonymous as a whole. May we grow and learn together, serve our Area to the best of our ability and have some fun. In so doing let us always focus on maintaining our Unity, for this we owe to our future.

As we move into the current rotation, one area where I feel we could improve pertains to our standing committees. I have been taught and firmly believe that it is our standing committees that make it possible for the lifesaving message of AA to be carried to the still suffering alcoholic. While some of our standing committees are quite robust and active, others are starving for participants. Some districts and groups have active standing committees and others do not. There is so much we could do to get the message out if we could have more participation in our committees at all levels. I have spoken to several committee chairs and other trusted servants about some possible ways we might be able to bolster our committees. With help from our registrar, we will be rolling out an initiative at the April Assembly, so stay tuned, more will be revealed.

Respectfully submitted,

Rick M.

## Alt-chair

Thank you, Area 67, for allowing me this opportunity to serve. From the moment I attended my first Assembly I fell in love with the work all have been doing. I couldn't wait to do more. When I look back over all my past service commitments, I always seem to learn at least one thing that I didn't know about myself. As a GSR I learned that, even if I didn't think so, my love of policies and procedures and the could be used for the good of Alcoholics Anonymous. As DCM I learned that it was okay to speak up and let people know your thoughts, even if we don't share the same point of view. As Treasurer I learned that all I need to do is reach out and ask those who have walked before me to help. I am so grateful for the teachers that are always willing to share their experience and provide their support. As I embark on this new rotation, I'm excited to see what my Higher Power teaches me through all.

I'm looking forward to working closely to support the Host Districts at the April, July and October Assemblies for 2019 and 2020. I know sometimes hosting an Assembly may seem scary or overwhelming for Districts, but I think together we can make it both fun and productive. If you would like to participate in any form or fashion do not hesitate to reach out. I would love to visit your District meeting or Group Conscience to answer any questions you may have.

Just a reminder that the SETA Policy and Procedures Manual can be found on the Alternate Chairperson Webpage on the SETA website ([www.aa-seta.org](http://www.aa-seta.org)). The website can be accessed from any computer, table or phone with internet access.

## PUBLIC INFORMATION

# COOPERATION WITH PROFESSIONAL COMMUNITY

## 12<sup>th</sup> Step your Doctor!

Q: What!? My doc's a drunk!?

A: No, no, no. Well, could be, but that's not the point. The point is:

- Reach out to your doctor and let them know what Alcoholics Anonymous is, and how's it's helped you to find sobriety, and how it might be able to help some of his/her other patients who might have a drinking problem
- Take them some pamphlets like "AA as a Resource for the Health Care Professional" and "If you are a Professional..."
- Ask if they 'd be willing to let you put some pamphlets or Grapevine magazines in their waiting room. If they say yes, consider using an "Adopt-a-Rack" literature rack for this, you can contact the PI Chair to get one at [pi@aa-seta.org](mailto:pi@aa-seta.org), or if that doesn't work try the CPC chair at [cpc@aa-seta.org](mailto:cpc@aa-seta.org). You could also just order a subscription to the grapevine and place one in the waiting room each month.
- Let the doctor know he/she can refer people to the local intergroup number for meeting information, that you'd be willing to be a contact as well (if you are), and that the CPC committee can be reached at [cpc@aa-seta.org](mailto:cpc@aa-seta.org) to put on presentations about AA for his/her staff or peers. Our website for professionals is <http://cpc.aa-seta.org>
- If you could do any or all of these things, you are carrying the message through CPC service!

Q: What's CPC?

A: CPC stands for Cooperation with the Professional Community, it's a standing committee at the Area level and often in Districts as well. Individuals can do CPC work with simple but important activities like the one above.

- **CPC Committee Purpose** – *"Members of C.P.C. committees inform professionals and future professionals about A.A.— what we are, where we are, what we can do, and what we cannot do. They attempt to establish better communication between A.A.s and professionals, and to find simple, effective ways of cooperating without affiliating."* – reprinted from *Cooperation with the Professional Community Workbook, page 5, with permission from A.A. World Services, Inc.*
- **Professionals are:** Basically, anyone that comes into contact with an alcoholic through their professional work, some examples include: Doctors, lawyers, judges, cops, therapists, counselors, nurses, probation and parole officers, clergy, social workers, etc....
- There's a whole bunch of professionals in South East Texas Area, far more than the few active members of the SETA CPC committee can reach by themselves, so consider helping by taking the actions suggested above, or if you're willing, come to the SETA CPC Committee meeting: We meet the first Monday of each month at 7:30pm at the Spring Branch Memorial Club, 1200 Blalock Rd, Suite #378, Houston, 77055; or you can join via Zoom: <https://zoom.us/j/330417285>

## Alt LITERATURE CHAIR

Hello to All SETA AA Members,

I just wanted to introduce myself as the Alternate Chair for the Literature Committee. In July 2013, I migrated down from Chicago, IL to relocate with my family in Katy, TX. Little did I know, God had greater plans for me including expanding my knowledge of AA by way of nudging me into serving my homegroup – Katy Big Book, District 40 and now SETA. I am extremely grateful to all of you here at SETA whom not only accepted this “Yankee” from the Midwest, but also taught me so much about brotherly love through serving the Southeast Texas Area.

With that said, I just want to familiarize you with what the “Literature Committee’s” purpose: To raise the awareness for A.A. Conference-approved literature, audiovisual and other special items. Currently, our committee is reviewing background information from G.S.O. in preparation for the round table discussion at April’s Assembly. Also, we have monthly Zoom meetings every third Tuesday of the month from 8:30 – 9:30 pm.

There are several new literature items from G.S.O in the “*What’s New on AA.org*”

First, the Spring edition of ***Box- 4-5-9 Spring 2019 – Our Great Responsibility***. “Rediscovered wisdom from A.A.’s co-founder: this issue contains information on a soon-to-be-released book comprised of 16 of Bill W.’s talks at the General Service Conference—the first original book from A.A. in over 30 years. The issue also features an article on carrying the message to alcoholics who are Deaf or Hard-of-Hearing, along with a report on a recent trip to Cuba by one of our nonalcoholic trustees to meet with professionals there who are looking into ways that A.A. and the medical profession can cooperate to help alcoholics.”

Second, the ***2020 International Convention Invitation Video*** includes; “A video/flyer invitation for the 2020 International A.A Convention is available for viewing and download on the International Convention page of G.S.O.’s website. The video/flyer is available in three different time-lengths for ease of viewing and sharing (1minute 45 seconds and 20 seconds) please take a look and pass it on!”

Third, the ***2020 International Convention Frequently Asked Questions*** – Registration, Housing, & Transportation is readily available to start making plans for July 2 – 5, 2020.

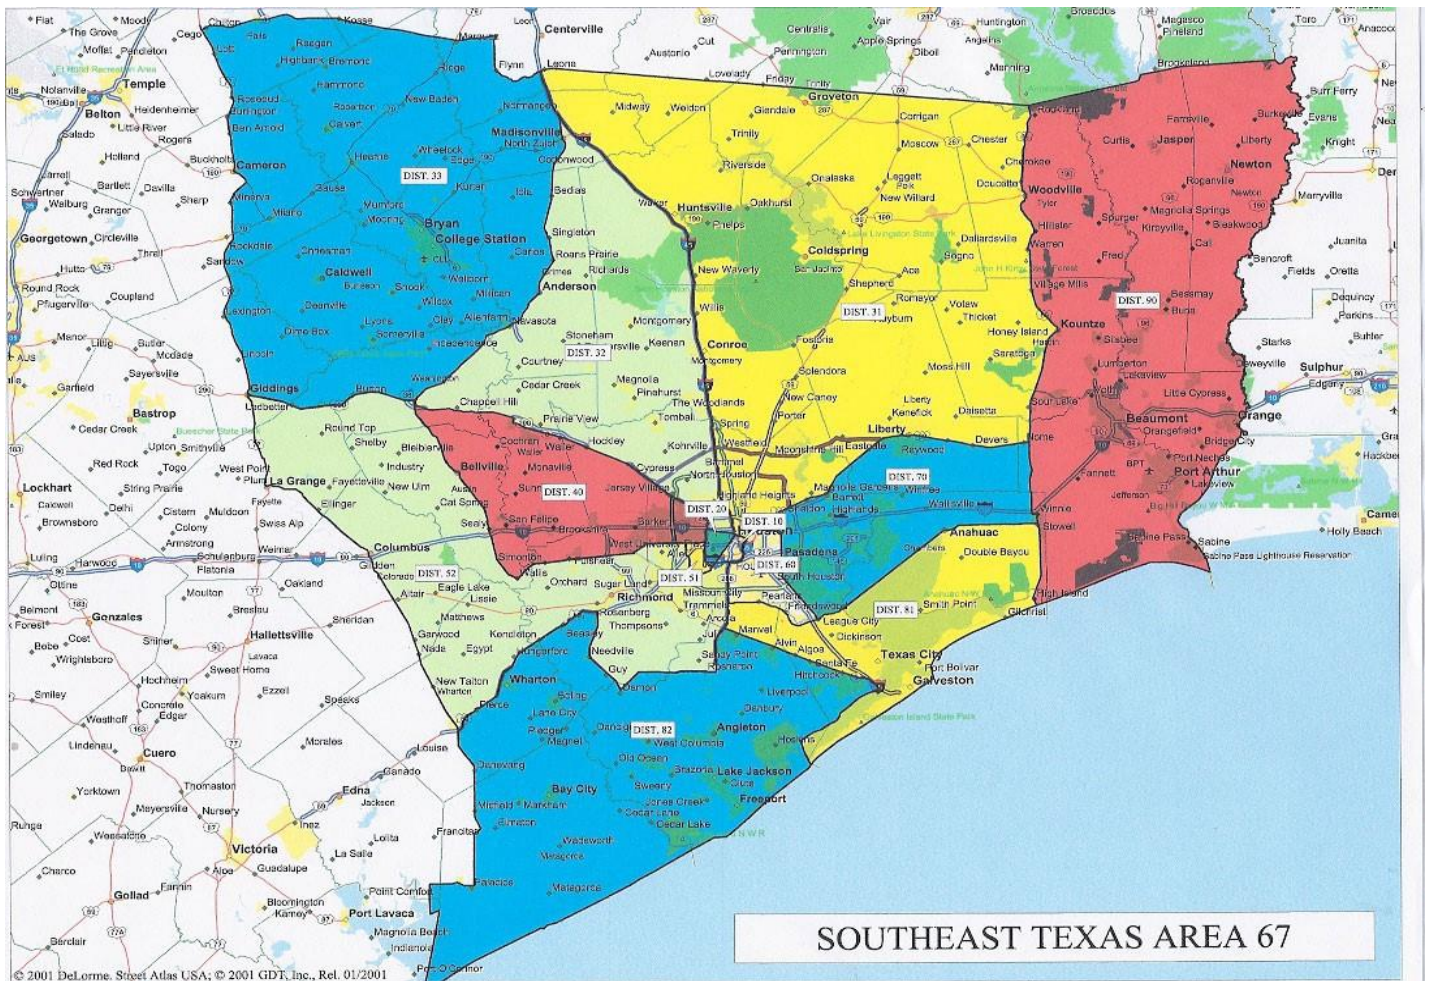

Lastly, G.S.O. added the video PSA “***Changes***” whereas it illustrates how drinking can take over a person’s life while emphasizing the hope and support available in A.A. for those whom are looking for a chance at a new beginning without alcohol.

In Love & Service,

Elizabeth G. Alt. Chair Area 67

Because AA has never attempted to keep formal membership lists, it is extremely difficult to obtain completely accurate figures on total membership at any given time. The information shown here is based on reports given by groups listed with general service offices (G.S.O.s) around the world and does not represent an actual count of those who consider themselves A.A. members. We are aware of A.A. activity in approximately 175 countries, including 61 autonomous G.S.O.s in other lands.
