QUARTERLY NEWSLETTER

DELEGATE

July 2022

Greetings Area 67,

At this writing, the report out cycle for the 72nd General Service Conference is well underway and so far, the reports have been met with mostly positive feedback. Since Father's Day, I have been reminded of the line in the Big Book that says "...it is not probable that we will be inspired at all times." I admit to you all that I'm currently at a point in my service career that I'm just checking boxes and my head and my heart long for this rotation to be over. I want to thank District 31 and 33 for their patience, kindness and understanding during the reports I made on the heels of my Dad's passing. Also, thanks to those of you that sent your condolences. My phone blew up, on that Saturday morning and I had a clear picture of Jimmy D. explaining my absence to Texas. The healing that occurred in that particular relationship is one of the top reasons for my unyielding gratitude to the Fellowship and why I've tried to be of continual service.

I would like to remind everyone that the new deadline for proposed Agenda item submission is September 15th and I will work with our IT committee to get a link to the required form to be posted prominently on the SETA website.

In Peace,
Kris H.
Area Delegate

ALTERNATE DELEGATE

Greetings my AA friends,

I am very grateful that we will be having an Area Newsletter again. Thank you, Tracy, for stepping up to serve our Area with this undertaking.

Since we are drawing near to the end of another rotation, I would like to address our Third Legacy, how we practice that Third Legacy and our AA election process. Many of you are no doubt familiar with our Three Legacies, but there may be some who are not. Our Three Legacies are the three sides of our AA triangle. We find our Recovery, the First Legacy, through practicing our Twelve Steps. Our Unity, the Second Legacy, is ensured by honoring our Twelve Traditions. Service is our Third Legacy, and it is guided by the mysterious (to many) Twelve Concepts for World Service.

Our Third Legacy was designed to guide our service structure. It is that service structure which gives us the means as a fellowship to make decisions and conduct necessary business in a principled, spiritual fashion. At a personal level it allows us to learn to work out solutions to those issues by practicing love, patience, tolerance, and kindness. It teaches us to disagree without being disagreeable. For this alcoholic, I would like to think that this has led to personal growth and enhanced my sobriety in a real and significant fashion. I think if you ask any number of our trusted servants, they will tell you they feel the same way.

As previously mentioned, we are approaching the end of a rotation, which means soon we will be holding our Area elections and electing a full panel of new officers and committee chairs. In AA, we don't "run" for office, we "stand" and make ourselves available for any position for which we meet the qualifications. This can lead us to stand for a position that we have some fear of holding. Maybe we are afraid that it will take too much time or require too much effort.

This brings us to our Third Legacy voting procedure. This is a spiritually driven procedure that allows us to pick the right person for the position by relying on our Second Tradition. Our Higher Power can express itself through this procedure and guide us to select the person most suited for the position. So, even if there is fear about holding a certain position, if elected, rest assured that the Higher Power has expressed itself through the group conscience.

When election time comes around, I humbly urge each one of you to stand for any position for which you meet the qualifications. It will be an experience you must not miss. We know that you will not want to miss it.

In love and service,

Rick M.

CHAIR

I would say the biggest question I've been asked this year is about what a service sponsor is and how to get one. When I got to my first District meeting and Area Assembly it all ran like a well-oiled machine. I wanted to participate but I was scared to ask and "bother" people. Thank goodness I was surrounded by old timers willing to share their experience, strength, and hope without me even having to ask. My Higher Power wouldn't let my character defect, not asking for help, hold me back. What I found out is just like everything in AA I don't have to go it alone if I don't want to.

A service sponsor is there to answer your questions. The A.A. Service Manual states "When considering potential service sponsors, experience of the Fellowship suggests looking for an A.A. member who is: • Knowledgeable in A.A. history and the service structure • Well acquainted with the various service positions and the principles and concepts that guide general service • Familiar with the Twelve Traditions • Familiar with The A.A. Service Manual and Twelve Concepts"

I'm so grateful for all my service sponsors throughout the years. A big thank you to the ones who have known they were my service sponsor and those who had no idea but still picked up the phone when I called. 😊

In Love and Service,
Christina

PUBLIC INFORMATION

Adopt a Literature Rack

How It Works...

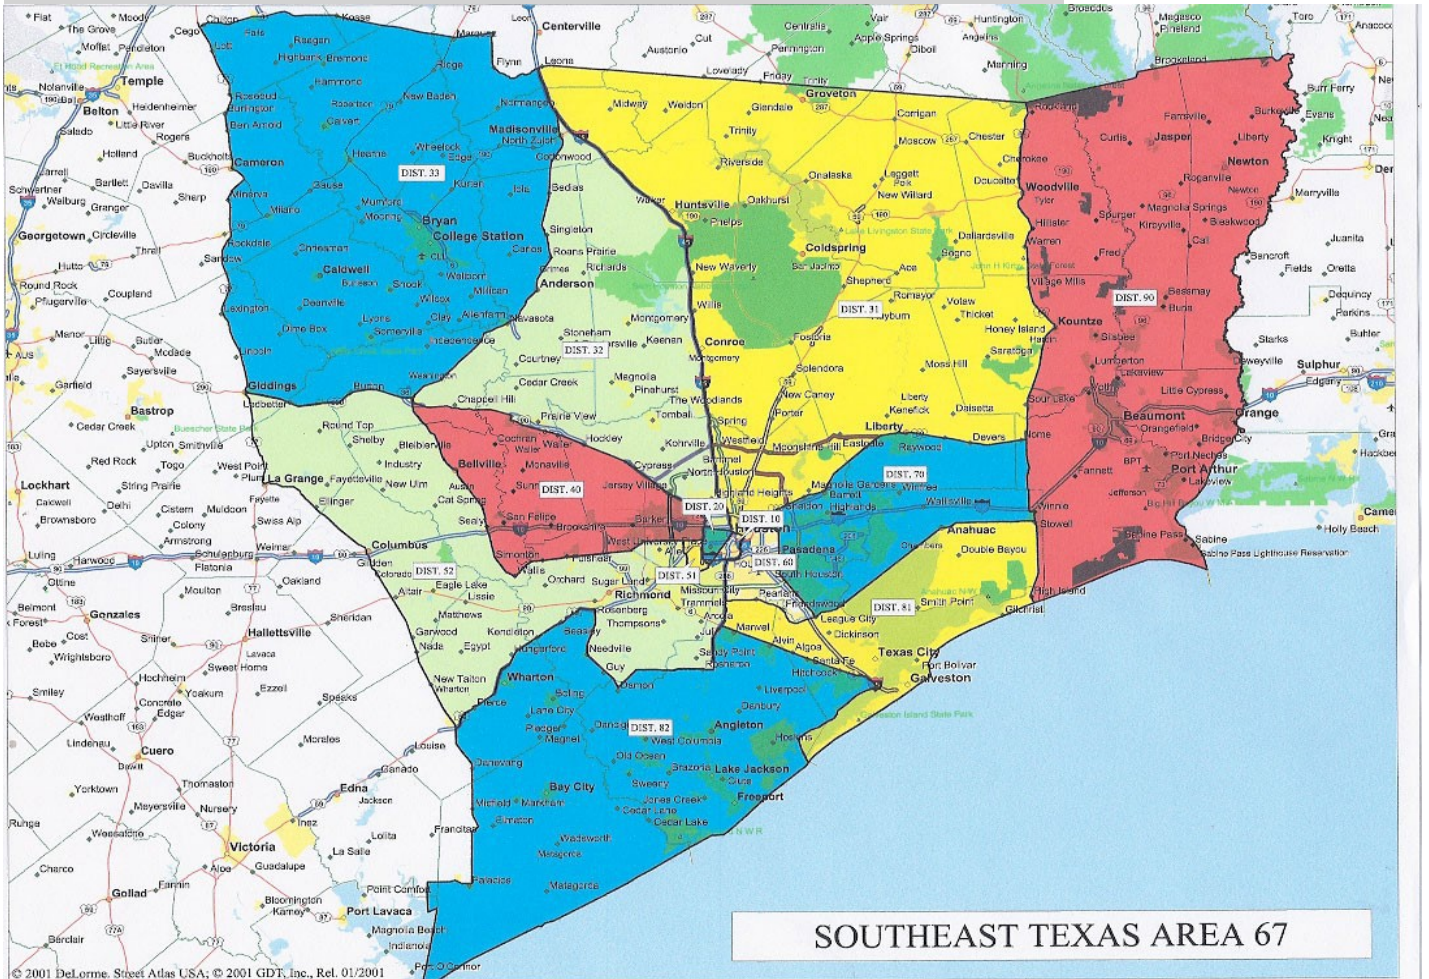

- Contact the Public Information Committee Chair at pi-chair@aa-seta.org to get a starter rack.
- Decide where to place the rack and be sure to get permission from the facility. Examples: Laundromats, Emergency Rooms, Doctor's Offices, Libraries, Hotel Lobbies, etc.
- Put a contact name and number on the back of the rack. This is necessary for refills.
- Be sure and let the Public Information Committee Chair know where the rack has been placed.
- Check back with the facility from time to time (weekly or monthly) to see if the rack needs restocking.
- It is up to the group or individual to supply the rack with pamphlet refills.

Note: Most Associations like to hold conferences/conventions. In AA, a conference/convention is an important opportunity to share the AA experience in a broad way. There are many AA conferences/conventions held around the world. One common misconceptions of these gatherings is that they are AA meetings, and since there are no dues or fees for AA membership, there should be no fee to attend these events. Conferences/Conventions are special events, not regular AA meetings. The conferences/conventions require months of planning, preparation, and money to present. Since most events are in hotels/convention centers, the hotel/convention centers will require that the group purchase coffee and food. Other expenses include travel and lodging for conference/convention, speakers, printing, postage and other supplies. A large event requires a substantial amount of money. Attendance at a conference/convention is voluntary, attending as part of a group is optional, but as a responsible AA member we must pay our own way.
