STEP 9: Made direct amends to such people except when to do so would injure them or others.

TRADITION 9 (LONG FORM): Each A.A. group needs the least possible organization. Rotating leadership is the best. The small group may elect its secretary, the large group its rotating committee, and the groups of a large metropolitan area their central or intergroup committee, which often employs a full-time secretary. The trustees of the General Service Board are, in effect, our A.A. General Service Committee. They are the custodians of our A.A. Tradition and the receivers of voluntary A.A. contributions by which we maintain our A.A. General Service Office at New York. They are authorized by the groups to handle our over-all public relations and they guarantee the integrity of our principal newspaper, the A.A. Grapevine. All such representatives are to be guided in the spirit of service, for true leaders in A.A. are but trusted and experienced servants of the whole. They derive no real authority from their titles; they do not govern. Universal respect is the key to their usefulness.

CONCEPT 9 (SHORT FORM): Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

AA TRIVIA

Q. Unless there is approximate conformity to A.A.'s Twelve Traditions, what might happen to the group.

A - the group can deteriorate and die. Page 174

Q -Just as the aim of each A.A. member is personal sobriety, what is the aim of our services?

A. to bring sobriety within reach of all who want it. Page 175

Q - A.A. has to function, but at the same time it must avoid those dangers which necessarily tempt other societies. What 3 dangers are named in the 12 & 12?

A - great wealth, prestige, and entrenched power Page 175

Q - Tradition Nine at first sight seems to deal with a purely

practical matter, in its actual operation it discloses a society without organization, animated only by _____.

A - the spirit of service Page 175
