STEP 11

Sought through Prayer and Meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

TRADITION 11

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.

CONCEPT 11

The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.

Take Aways for reflection:
