U N I T Y - R E C O V E R Y - S E R V I C E

## Step 1

We admitted we were powerless over alcohol—  
that our lives had become unmanageable

## Tradition 1

Our common welfare should come first; per-  
sonal recovery depends upon A.A. unity

## Concept 1

Final responsibility and ultimate authority for A.A. world services should always  
reside in the collective conscience of our whole Fellowship.

## Service Positions

We are starting the second year in this rotation with some service positions open. I know when I talk to a lot of people in AA, they are not aware of the whole service side of our fellowship and how they can get involved. There is always an opportunity to plant a seed that might flourish today, tomorrow, or next year within them. I usually refer back to the beginning of AA. I tell them if Bill and Dr. Bob only worried about keeping themselves sober would there have been a program, where I could get sober in, when I needed it? We all have an opportunity to stand up and take our place in AA. We owe this to the future of AA. I like what Bernard B Shaw said, here is a selection from our service manual, Page 40.

*The late Bernard B. Smith, nonalcoholic, then chairperson of the board of trustees, and one of the architects of the Conference structure, answered that question superbly in his opening talk at the 1954 meeting: "We may not need a General Service Conference to ensure our own recovery. We do need it to ensure the recovery of the alcoholic who still stumbles in the darkness one short block from this room. We need it to ensure the recovery of a child being born tonight, destined for alcoholism. We need it to provide, in keeping with our Twelfth Step, a permanent haven for all alcoholics who, in the ages ahead, can find in A.A. that rebirth that brought us back to life.*

I believe we need to talk more about this side of the triangle with others in the program. I know I have learned more life skills from going through the traditions and concepts that can be utilized in my personal and business life. So I hope you talk to your home groups, sponsees, and other members about what you have received from service and see if they would like to come and see what it is all about. I know I was telling my story the other day and talk about service because my story in AA has my journey through the steps, where the obsession was removed. Then my service sponsor took me through the rest of the triangle, unity and service and that is where I found structure and purpose. I found out early in my recovery that I needed to focus on others, I did not focus on myself. I remember when someone told me what humility was, "not thinking less of yourself but thinking about yourself less." That was a great way for me to get out of self.

So talk to those future trusted servants and let them know what is available for them in AA and what you gained from your time in this program. Working with others is sharing your experience, strength and hope with others members of AA.

DCM report

We just had our October SETA assembly at the Sheraton Hotel on JFK. It was nice to go back to that hotel, that is where we used to have the assemblies. I will lay out what we accomplished, but first I would like to thank all our GSRs and Alt GSRs who were there in-person and online. Grapevine gave away a few subscriptions and I was able to win one of them. Since I already have one, I looked around and asked all D40 GSRs and Alts in our section. If you did not know D40 usually sits on the front right area when you walk into the room. We only had 2 that did not have it so I offered it to them. We had help from Rieno F., a former D40 DCM. He picked a number between 1-10 and they chose, it was Amanda L. that won it. See all the good things that happen when you come to assemblies! We also had the eclipse that weekend. How many AAers does it take to watch the eclipse? All of them. It was during the lunch break, so it worked out. International convention 2025, make sure your records are cleaned up if you are going.

District 40 webpage updated. I finally got it updated, look it over and let me know if you see anything that needs to be addressed. On another note, Sara had to step down as newsletter editor for personal reasons and we all hope the best for her. I will be filling in until we get a replacement editor. So, if it is not as pretty or organized just pray for me.

Proposed Items for the Agenda of the 2024 General Service Conference are in the attachments. Please note: These are ONLY the Proposed Agenda Items. This is a list of items that have been submitted for the Conference Agenda. These proposed items are not the final agenda items for the Conference committee agendas. These proposed items will be reviewed by trustees’ committees, who may forward them to a Conference committee, keep them at the Board level for additional background and consideration, or route them to the A.A.W.S. or Grapevine Boards. The final list of Conference committee agenda items will be available in early February following the General Service Board meeting. Rick will stop by on March 12, 2024, to talk about the ones he would like to get our feedback on. I will send out the agenda items with background information at the end of Feb or the beginning of March when they will be available.

## November 2023—Meeting Minutes Pg 2

Oct assembly, we got to meet our new SW regional trustee Theresa. Those of you who were at the Forum 2023 already had that pleasure. She told her story and I had the privilege of talking with her at breakfast on Sunday. I think they found a very good one to take over where Jimmy D left off. We had a few votes but the main one was on the budget. It was passed, along with a few other items. We voted on the ability to have assemblies in one day if needed along with postponing the “lotto” for 3 area committee members for a trip to SWASSA or Forum. We also voted to cancel our hotel contract with Doubletree. We are currently looking for a location that fulfills our needs. This will give SETA more flexibility in the future. We have a few D40 members looking into possible locations. If you would like to join in the search, let me know and I can get you the requirements.

Your Group information. A few of you have taken it on your own to reach out to our Area Registrar to confirm your group’s information. Please tell your treasurer to include your group number when donating to any of the different entities in AA. We currently have a list of groups that the SETA treasurer would like us to find their correct information.

Discussion:

From Farah: SFSG Group Conscience 5-Nov-2023 regarding Pamphlet P-55, “Twelve Steps Illustrated”

\*Having all the “I” takes away the we, takes away there’s something bigger than me, takes away the

\*inclusiveness of the program, do not like all the “I” “I” “I”

\*This is a we program, as an individual we die as a group we stay sober

\*Why did we change to I and away from what works

\*It’s a we program, sometimes we push outside issues into our literature

\*One member disagreed with the majority of the group and said the first step is we but subsequent steps are done by individual

\*We don’t work the steps alone

\*12 steps have we or us, steps use plural

\*Higher Power or something to that regard is fine, don’t have a problem with the use of Higher Power in the

Joining late “A solitary self appraisal is insufficient”, Plain Language “I check myself”, This is a slipper slope for AA to remove God and WE. AA is not a self help program. If someone can’t read it is about being humble enough to ask for help. Example a person with a PhD struggles to understand powerless over alcohol and unmanageable. If he/she wants to get sober he/she asks for help

Juan: Keep we, Keep God

Shannon: Nobody likes “I”, God as we understand Him.

Hannah: her group supports the pamphlet as is, reaches some alcoholics without a dictionary who need plain language.

### General Sharing Session

Peggy asked about the 5<sup>th</sup> edition Big Book. Caitlin B. stated that Teresa J. shared they are reading 2,500 stories and it will be a while before the book is out.

Cecily is interested in doing a history of her group. Mike B. said he would give her some contacts to help her.
