Is your Thinker Broken?

Alcoholics Anonymous is a simple program where alcoholics help other alcoholics recover from alcoholism. That is, it and everything else is an outside issue. Then why do people keep trying to add to the menu? What would your waiter say to you if you were at a Mexican restaurant and wanted to order General Tso's Chicken? Makes you think, right? If I remember correctly, when I came into the meeting rooms of AA, I was told my thinker was broken! That is where I could rationalize the wrong thinking and think it was ok, as long as I got my way. Remember those days? Or are we still riding that train of insanity?

This is straight out of the AA Pamphlet, The A.A. Group, P-16.

"The primary purpose of any A.A. Group is to carry the A.A. message to alcoholics. Experience with alcohol is one thing all A.A. members have in common. It is misleading to hint or give the impression that A.A. solves other problems or knows what to do about drug addiction."

I know that some people's first experience with AA might be in a rehab facility. This is where AA meetings are attended by everyone in the rehab. Like some Judges do, when they just send everyone to AA because it has a stronger structure. This is where the message does get watered down in my opinion. When this happens in your group, the elder statesmen should talk to the new members and help them find the correct program that will help them.

When working all three sides of the triangle, it is my responsibility to make sure AA is here for the next suffering alcoholic. As it says in the responsibility statement, "I want the hand of AA always to be there". We owe it to them to help them find a program that will help them. I am sure that is why AA has given this program to any organization that wants to recover from anything. Examples range from drugs, food, sex, and anything else. We do alcohol, the other fellowships can focus on their primary purpose.

Remember AA is a three-legacy program. We do the Steps to help ourselves, the selfish part of AA. We do the Traditions to make sure this program is here for the baby being born down the street destined for alcoholism and the concepts to make this fellowship endure. If the member does not adhere to the principles of the steps he will soon sicken and die. That goes for the group as well, if it does not adhere to the Traditions and the structure of AA it will sicken and die also.

I hope if you are reading this and your sponsor is not a three legacy sponsor you choose to find a service sponsor to learn everything you can about this program that saved my life and so many before me. I owe this to AA to make sure it is here for the next suffering alcoholic and my personal recovery comes a close second.

Yours In Service,
Doug D—DCM District 40

DCM Report

Welcome to the Feb D40 monthly meeting. We will have a few things we will be talking about tonight during the GSR section. I need to clarify that our April SETA assembly will be held in a new location so please see the attachment and pass that information to everyone in SETA. This is when we will have the round tables to discuss the PAI for this year’s GSC. Remember everyone in Area 67, SETA, is welcome to attend. Rick and Christina will be here next month to discuss a few items. I will forward you all the information as soon as it is available. The List of items was sent out on the SETA-Announce email the other day. Let me know if you have any questions.

ALT. DCM Report

District 40 GSRs and Alt-GSRs, as always please let me know how I can best serve you and your homegroup, so that we can carry out our primary purpose.

We are out! After a long search and a few misses, we have moved to a new storage facility! District 40’s property is now being stored in Devon Self-Storage on Hwy 6 North. We have locked in the rate for the next 6 months, and I will engage with them to pay another 6 months, so our rate is locked in for a year. This was cleared with our Treasurer to insure we had it our budget to do so. All of the numbers for this change and the budget information were discussed at our previous District meetings and can be found in the Treasurer’s report.

The SETA Convention was awesome! I got to see a bunch of you in person who I normally only get to see by Meet, I got to catch up with a bunch of friends from all over the area, and I got to make some new connections as well! The speakers and workshops that I was able to attend were great! Joel and his committee did an incredible job putting everything together. I even got to vote on Sunday morning as Doug had to leave early for a personal commitment. It’s been a while since I’ve been able to do that. Sadly, due to a personal commitment I have, I will not be able to attend the April Assembly.

The District Inventory Ad Hoc Implementation & Planning Committee has not been put together or scheduled. This committee will be involved in helping to plan and implement all the considerations from the D40 Inventory. Please come see me or Doug if you would like to be involved in this. These were your considerations, and we want to honor them by moving them forward.

February 2023—Meeting Minutes Pg 2

D40 Workshops: Part of what came out of those considerations was for District 40 to do workshops. I have mentioned this in previous meetings and asked for groups to volunteer who are willing to host these workshops. We have had enough groups volunteer for the remainder of the year, but I will let you know if a group has backed out. If your group has volunteered and I haven't gotten back with you, please be patient, I will get with you to coordinate shortly. Keep in mind, hosting entails just providing the place to have the workshop and possibly snacks and coffee. I will take care of the topic, which were suggested from the inventory, and speaker(s). These will be held quarterly, so the first one should be in April. One of the workshops at the SETA Convention was on workshops, so I got a lot of information from that and have the presenter's contact information for follow up. More to come!

Traditions Dinner: On top of all that, I am already thinking about the next Traditions Dinner. Never too early to get a list of volunteers for that, so if you're interested, please let me know.

Through love and service,

Mike

Topics:

April Assembly, take part in round tables – One day Assembly on 4/6/24 at San Jacinto College North

Sharing on Founders Writings – Doug read the letters from GSO concerning the Founder's Writings, discussion followed concerning the seven survey questions.

Some of the key points;

These questions have nothing to do with the writing of the Plain Language Book

Don't change the Founder's writings, specifically the first 164 pages of the Big Book

Encourage better sponsorship

Changing the Founder's writings would help some people comprehend the 164 pages of the Big Book.

Expand the section on Steps six and seven

One member read his groups answers to the seven survey questions
