UNITY - RECOVERY - SERVICE

Is your Thinker Broken?

Alcoholics Anonymous is a simple program where alcoholics help other alcoholics recover from alcoholism. That is, it and everything else is an outside issue. Then why do people keep trying to add to the menu? What would your waiter say to you if you were at a Mexican restaurant and wanted to order General Tso's Chicken? Makes you think, right? If I remember correctly, when I came into the meeting rooms of AA, I was told my thinker was broken! That is where I could rationalize the wrong thinking and think it was ok, as long as I got my way. Remember those days? Or are we still riding that train of insanity?

This is straight out of the AA Pamphlet, The A.A. Group, P-16.

"The primary purpose of any A.A. Group is to carry the A.A. message to alcoholics. Experience with alcohol is one thing all A.A. members have in common. It is misleading to hint or give the impression that A.A. solves other problems or knows what to do about drug addiction."

I know that some people's first experience with AA might be in a rehab facility. This is where AA meetings are attended by everyone in the rehab. Like some Judges do, when they just send everyone to AA because it has a stronger structure. This is where the message does get watered down in my opinion. When this happens in your group, the elder statesmen should talk to the new members and help them find the correct program that will help them.

When working all three sides of the triangle, it is my responsibility to make sure AA is here for the next suffering alcoholic. As it says in the responsibility statement, "I want the hand of AA always to be there". We owe it to them to help them find a program that will help them. I am sure that is why AA has given this program to any organization that wants to recover from anything. Examples range from drugs, food, sex, and anything else. We do alcohol, the other fellowships can focus on their primary purpose.

Remember AA is a three-legacy program. We do the Steps to help ourselves, the selfish part of AA. We do the Traditions to make sure this program is here for the baby being born down the street destined for alcoholism and the concepts to make this fellowship endure. If the member does not adhere to the principles of the steps he will soon sicken and die. That goes for the group as well, if it does not adhere to the Traditions and the structure of AA it will sicken and die also.

I hope if you are reading this and your sponsor is not a three legacy sponsor you choose to find a service sponsor to learn everything you can about this program that saved my life and so many before me. I owe this to AA to make sure it is here for the next suffering alcoholic and my personal recovery comes a close second.

DCM Report

Hello D40, I hope everyone is safe after all the rain and ready for all the heat that is coming. Let's see what we all have on the plate for this month. We have Patty from the Pink Table; our registrar and Chris from TFC will drop by tonight. We will also discuss how to bring up topics in your home group. I was contacted by a member of this district about a topic that made me think, this would be a good way for all of us to discuss how to get your home group into a healthy discussion on a topic and how long you need to find a group conscience.

SETA reached out for help from a few districts to help with our last 2 assemblies this year but I heard back that the October one is already taken.

We are looking for two or more host districts to host the July and October Assemblies. Remember, we are doing one-day assemblies right now and just need a few folks.

You would need a couple of folks to share on the tradition and concept.

A few folks to support registration.

A few folks to support hospitality, which only has to have coffee.

Possibly a few folks to serve as greeters.

Take it back to your groups and let's talk about it next month

We will be meeting in a different room next month. Only for those in person, online is still the same. Also, next month we will have Rick and Christina stop by for the delegate's report.

How many of y'all are already booked in for the SWRAASA? This weekend-long assembly is focused on service and a lot more about AA as a whole. It will be outside Dallas so I am figuring some carpooling will be going on. I don't remember off the top of my head what the price of hotels are per night but you might ask your home group if they would fund you. The next one is in 2026 and it will be in Houston. I wonder if we have extra funds to swing a lottery for 1 or 2 people to go. The DCM and Alt DCM are already funded in our D40 budget but it might be the fuel that ignites the service side of your recovery. I was in a service workshop and they were talking about the shape of your triangle.

ALT. DCM Report

District 40 GSRs and Alt-GSRs, as always please let me know how I can best serve you and your homegroup, so that we can carry out our primary purpose.

The District Inventory Ad Hoc Implementation & Planning Committee has not been put together or scheduled. This committee will be involved in helping to plan and implement all the considerations from the D40 Inventory. Please come see me or Doug if you would like to be involved in this. These were your considerations, and we want to honor them by moving them forward.

D40 Workshops: Part of what came out of those considerations was for District 40 to do workshops. These will be held quarterly, so the first one will be in July. One of the online groups will host this one. July will BUSY! More to come!

Traditions Dinner: The date for this will be Saturday, Augst 17, 2024. I'm working on something awesome, so it's never too early to get a list of volunteers for that, so if you're interested; please let me know. Through love and service,

Mike

At the April meeting, the committee approved a motion to resubmit a proposed agenda item (PAI) for endorsement by the area assembly. The PAI asks that the General Service Office make final conference agenda items and background material available to the entire Fellowship by Feb. 1, prior to the April General Service Conference. The PAI was submitted during the last cycle, but was not included on the final GSC agenda.

The committee members believe that more time is necessary in the leadup to the conference for groups and districts to inform the membership about subjects that will be discussed at the conference. The PAI states, that if adopted, the change would "allow the entire Fellowship time to review Final Conference Agenda at group, district and area levels so that a fully informed group conscience can be developed."

The Literature Committee also discussed the possibility of organizing a workshop to help people understand that process around submitting agenda items. All AA members are welcome to attend the Literature Committee meeting. If you are interested, please contact District 40 Literature Rep Carol F. at <u>carol.f@aa-seta.org</u> or <u>dan.k@aa-seta.org</u>.
