DISTRICT 40 NEWSLETTER

UNITY - RECOVERY - SERVICE

Is your Thinker Broken?

Alcoholics Anonymous is a simple program where alcoholics help other alcoholics recover from alcoholism. That is, it and everything else is an outside issue. Then why do people keep trying to add to the menu? What would your waiter say to you if you were at a Mexican restaurant and wanted to order General Tso's Chicken? Makes you think, right? If I remember correctly, when I came into the meeting rooms of AA, I was told my thinker was broken! That is where I could rationalize the wrong thinking and think it was ok, as long as I got my way. Remember those days? Or are we still riding that train of insanity?

This is straight out of the AA Pamphlet, The A.A. Group, P-16.

"The primary purpose of any A.A. Group is to carry the A.A. message to alcoholics. Experience with alcohol is one thing all A.A. members have in common. It is misleading to hint or give the impression that A.A. solves other problems or knows what to do about drug addiction."

I know that some people's first experience with AA might be in a rehab facility. This is where AA meetings are attended by everyone in the rehab. Like some Judges do, when they just send everyone to AA because it has a stronger structure. This is where the message does get watered down in my opinion. When this happens in your group, the elder statesmen should talk to the new members and help them find the correct program that will help them.

When working all three sides of the triangle, it is my responsibility to make sure AA is here for the next suffering alcoholic. As it says in the responsibility statement, "I want the hand of AA always to be there". We owe it to them to help them find a program that will help them. I am sure that is why AA has given this program to any organization that wants to recover from anything. Examples range from drugs, food, sex, and anything else. We do alcohol, the other fellowships can focus on their primary purpose.

Remember AA is a three-legacy program. We do the Steps to help ourselves, the selfish part of AA. We do the Traditions to make sure this program is here for the baby being born down the street destined for alcoholism and the concepts to make this fellowship endure. If the member does not adhere to the principles of the steps he will soon sicken and die. That goes for the group as well, if it does not adhere to the Traditions and the structure of AA it will sicken and die also.

I hope if you are reading this and your sponsor is not a three legacy sponsor you choose to find a service sponsor to learn everything you can about this program that saved my life and so many before me. I owe this to AA to make sure it is here for the next suffering alcoholic and my personal recovery comes a close second.

1. Plain Language Big Book: A Tool for Reading Alcoholics Anonymous

Approved by the Conference, Rick did not support this version

Points of Interest

*Preface states that this book is not meant to replace the Big Book.

*It is meant to make the ideas expressed in the BB easier to access

*Dr. Silkworth's letters appear as written with the translation in a second column

*Steps will appear in Chapter 5 untranslated

*A new appendix will contain the Twelve Steps as written along with an explanation

*God is in this book

*The grave nature of alcoholism is in this book

*Individuals are referred to as men or women

*Groups of individuals are referred to as "people"

*In the Doctor's Opinion and Chap 2, the distinction between the phenomenon and obsession is muddled

*Parts of Bill's Story lose some power

*No Dr. Jekyl and Mr. Hyde

*Only two footnotes instruct referring to Appendix II

*"Amends" is translated as "apology"

*The word "addiction" was used to describe "alcoholism" but this was edited by the Conference Literature Committee

*The Jaywalker is a female, but why?

Rick PLBB has created disunity There was going to be disunity whether it passed or failed **Ouote from Bill W.** Within A.A., I suppose, we shall always quarrel a good bit. Mostly, I think, about how to do the greatest good for the greatest number of drunks. O&A Mike B. - When will it be published? I don't know Paul - Is it AA approved literature? Yes Roy – In English only? Yes Roy – Was the Vendor Alcoholic? No Rick – To The Wives is now "Partners" 2. Literature sales and contributions are increasing. O&A Mike B. - How will they increase the reserve fund? Smaller GV deficit Mike B. – Speculation/Gut feeling? Wait and see, sincere 3. Location+ Report Should the General Service Office be Relocated? (for Economic Reasons) We currently lease space in the Interchurch Building owned by the Rockefellers and leased only to non-

profits. The National average lease per square foot is \$42 and we are leasing for \$25.46. Much research was done by an outside agency and it was determined that GSS should stay where they are for economical reasons.

June 2024—Meeting Minutes Pg 3

4. General Service Board Inventory (the full report is on the Delegate page)

My overall impression is that the General Service Board did conduct a fearless and thorough inventory of itself.

As with any 4th Step inventory, action will be required for the inventory to be of value. Actions items are included in the report. A working group established by the Board Chair will establish timelines for completing the action items. A close read of the full report may reveal some of the grievances against the Board Chair who resigned. I feel that the report also shows evidence of unprincipled behavior among Board members.

5. Founder's Writings

In sum-total, most Area's do not want to see changes to the Founders' writings. No action was taken.

6. Equitable Distribution of Workload – passed and the deadline to submit PAI's is September 30.

7. Agenda Item: Discuss cost effectiveness of continuing to print La Vina -

The committee recommended that the AA Grapevine Board develop a 5-year financial plan for La Viña with the goal to reduce shortfalls and increase revenue to be brought back to the 2025 Conference Committee on Grapevine and La Viña.

Additional committee consideration:

The committee requested that the Grapevine Board develop a plan for a more effective La Viña subscription procedure, fulfillment process and customer service experience and that a progress report be brought back to the 2025 Conference Committee on Grapevine and La Viña.

Final Thoughts

While there seemed to be more unity and trust between the Board and delegates, we are not where we need to be.

Based on the number of floor actions and amendments proposed for committee recommendations, the Conference has lost respect for the committee process.

Despite the negative tone of the previous slide, it has been an honor and privilege to serve as your Delegate for the 73rd and 74th General Service Conferences.

I truly appreciate your trust and support.

This has been an experience I never would have wanted to miss.

I hope and pray that each of you do not want to miss it either.

I love and respect each and every one of you.

THANK YOU, THANK YOU, THANK YOU!
