

DISTRICT 40 NEWSLETTER

UNITY

RECOVERY

SERVICE

IT'S BUDGET TIME

I know this is not always the easiest thing to discuss, but we must look at and be responsible for what has been given to us. You can find a lot of information in some of our pamphlets but remember this money comes from the fellowship. A dollar or two from someone new in the program is a big donation while they are still struggling to get and stay on the path of sobriety.

So, I believe we need to be more frugal but again I am “cheap”. I remember at my home group, making our own Clorox cleaner during COVID when you could not buy it and refilling the soap dispenser with the bulk container. I know since COVID we have had to deal with other things that have made our money situation even tighter. This is not a corporation's expense account, that runs on the illusion of, “use it or lose it”. This is money given to us by the members to carry the message and we are responsible for that. I hope you take the time to look at what we did this year and see if there is a better way.

This is what AA teaches us, out of the service manual, to listen to all the points of view and come up with the best one to achieve the outcome, cheaper and faster. Efficiency is the goal of having more resources to reach more people.

Doug D. – DCM District 40

*Recovery is like a storm
Don't let the rain get you down
The rainbow is coming.*

STEP 10

"Continued to take personal inventory and when we were wrong promptly admitted it."

TRADITION 10

"Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy."

CONCEPT 10

"Every service responsibility should be matched by an equal service authority—the scope of such authority to be always well defined whether by tradition, by clear definitions, or by appropriate job descriptions."

DISTRICT 40 AT A GLANCE

District 40 of the Southeast Texas Area is a territory bounded on the **North** by US Hwy 290, on the **South** by Westheimer Rd., on the **East** by Loop 610, and on the **West** by SH 36.

MISSED SERVICE OPPORTUNITIES AT THE DISTRICT LEVEL:

A PERSONAL REFLECTION

On Tuesday, September 10, I attended the monthly District 40 meeting as the General Service Representative (GSR) for our group. District 40, our district, which includes 70 groups, was represented by only 22 voting members and about 8 non-voting members, typically alternate GSRs. As the meeting continued into the elections on September 11, I was disheartened to see that no one volunteered for critical positions such as:

- Secretary
- Alt-Secretary
- Alt-Treasurer
- CPC (Cooperation with Professional Community) Representative
- CFC (Correctional Facilities Committee) Representative
- Grapevine Representative
- IT (Information Technology) Representative
- Intergroup Liaison
- and PI (Public Information) Representative

This left me deeply concerned about our commitment to service and the future of AA. Service is not merely a tradition in Alcoholics Anonymous (AA); it is a fundamental principle that underpins the fellowship's philosophy. Embedded in the 12th Step, service encourages members to "carry this message to alcoholics, and to practice these principles in all our affairs." It is more than just fulfilling responsibilities—it's an opportunity to give back, support the fellowship, and enhance one's own recovery journey.

At the district level, service roles are essential for ensuring the effective operation and outreach of AA. Positions such as Secretary and PI Representative are crucial for managing administrative tasks, overseeing finances, and maintaining communication channels. Each role contributes to the smooth functioning of district activities and the fulfillment of our collective mission. I volunteered and was voted unanimously to serve as the newsletter editor for the next 2 years.

A Call to Action:

The lack of volunteers at our recent meeting highlights a pressing need for greater engagement and commitment. Service roles are vital not only for the smooth operation of the district but also for personal growth and the strengthening of our fellowship. I encourage all members of our group to attend the next district meeting and consider stepping into one of these important positions.

Serving in these roles is typically a two-year commitment; most committee positions require only 6 months of continuous sobriety, but the rewards—both in personal development and in positively impacting our community—are immense. By embracing these service opportunities, we can help ensure that our district remains strong, effective, and supportive. Let's come together to uphold the traditions of AA and support each other in our shared journey of sobriety and service.

Are our groups linked to A.A. as a whole? I invite you to read the next publication from the General Service Office.

Beymar R. - Newsletter Editor – District 40

IS YOUR GROUP LINKED TO A.A. AS A WHOLE?

Most A.A. groups in the United States and Canada choose to be linked to A.A. as a whole by listing their group with the General Service Office (G.S.O.). This in turn connects the A.A. group with the Area Assembly and the local district. G.S.O. is often asked, “Will filling out a new group form ensure my group appears in local meetings lists?” The answer is no. The new group form is only so that communication can flow between your group and the U.S./Canada Service structure (your district, your area, and your G.S.O.) Please contact the local A.A. entity that publishes meeting lists such as your local intergroup/central office, district, or area. Many of the local entities that publish meeting lists also share information with the [Meeting Guide app](#). A.A. groups participate in the General Service Conference structure and list with the G.S.O., but also find it helpful to elect an Intergroup representative and list with their local central/intergroup office.¹

Often groups choose their elected [General Service Representative \(G.S.R.\)](#) as the group’s primary contact; however, if the group has not yet elected a G.S.R., any group member can serve as the primary contact by providing a current email address. An email address allows G.S.O. to send the group helpful information and acknowledgments of group contributions quickly and at no cost. Groups listed with G.S.O. have their G.S.R.s or “group contacts,” who act as channels for two-way communication and shared experience. Once a group is listed with G.S.O. directly or through the Area registrar, the group information is shared with the Area delegate and the local District Committee Member (D.C.M.) via G.S.O.’s database, Fellowship Connection. In addition, based on a decision made by the General Service Conference, the Area delegate receives an email alert as well to help prompt communication through the General Service Conference structure locally.

What’s the point? In the spirit of our [Twelve Concepts of World Service](#), each group linked to the local general service structure has the opportunity to participate via District meetings and Area Assemblies in the collective conscience of A.A. in the U.S. and Canada. Each G.S.R. communicates their group’s “conscience” on important matters of policy considered by the District and Area Assembly. By attending Area Assemblies and District meetings, they are expressing their group’s thinking on local matters and those of the entire U.S. and Canada General Service Conference structure. This in turn helps the Area delegate at the Annual General Service Conference meeting to represent the Area’s groups and take part in decisions that affect A.A. as a whole.

Listing with the G.S.O. can begin with an A.A. group “making a good start,” which can generally be described by a group being established for a period of time before requesting to be listed. Once a new group has passed this suggestive period and they request to be listed with G.S.O., the Area delegate is sent an email alert and given the opportunity to connect to the Area delegate, D.C.M. and others in the local service structure. A new group is assigned a Group ID. [Group Handbook](#),” either in an electronic form or a print version. Any newly elected G.S.R. can request a G.S.R. kit in the electronic or print version.² Thirty (30) days after group information is sent to the delegate and listed in Fellowship Connection, this pending active status period concludes and new groups are provided with a complimentary “

New groups and their members who wish can go to aa.org/box-459, fill in their name and email address, and receive our quarterly newsletter *Box 4-5-9*. This helps keep members informed on policies being considered by the Conference, changes to A.A. literature, and when and where their Regional Forum will be held (Forums are weekend events where members throughout the service structure share experience and exchange information regarding A.A.’s primary purpose). Additionally, G.S.R.s or group contacts for listed groups receive registration details for each International Convention, held every five (5) years.

How? To participate in services provided by G.S.O. to A.A. groups, it is vital to furnish simple information to G.S.O. or your Area registrar through the [G.S.O. New Group Listing Guidelines/Form](#). To notify G.S.O. when group information changes (e.g., the G.S.R. rotates, the group contact moves, or a new G.S.R. is elected) or when there is a change in the group’s location, please use the [G.S.O. Group Information Change Form](#). Group changes can also

be given to the Area registrar to input into Fellowship Connection. G.S.O. lists groups and not meetings; therefore, for the local meeting time and locations it may also be helpful to connect with the District Committee Member (D.C.M.) and the local intergroup/central office to be published in the local meeting lists or on [Meeting Guide](#).

A New Group: When a new group forms, the members usually take time to decide on the name of the new group *The A.A. Group...Where it all Begins*; plan the time and format of meeting(s); and obtain A.A. literature from the nearby central/intergroup office.³; elect trusted servants such as the G.S.R., secretary, treasurer and others as described in

Your District: Regardless of how new group information is received, the D.C.M. along with the Area delegate will make contact and welcome the group to “general service.”

Whether a group is “new” or has existed for years, the D.C.M. is the primary contact through the G.S.R. Group G.S.R.s attend district meetings where they participate in A.A.’s General Service Conference structure and give their group a voice in the process while also receiving information about happenings in A.A. as a whole. G.S.R.s attending District meetings are an excellent resource for addressing group problems and concerns and to gather experience of how to effectively carry the message of A.A. beyond the group’s meeting time and space. In matters affecting A.A. as a whole, a group’s “conscience” is communicated to the Area Assembly by their G.S.R.

If you do not know how to contact your group’s D.C.M., Area registrar/secretary or delegate, staff members in the General Service Office can often provide that information.

In addition to contacting G.S.O. you can also use the following resource to locate your local Area:
<https://www.aa.org/list-of-general-service-conference-area-web-sites-uscanada>

If you would like to locate your intergroup/central office, please go to <https://www.aa.org/find-aa>.

G.S.O. staff members are always happy to hear from A.A. members and groups. G.S.O. has two primary purposes: 1) to serve as a resource to better enable groups to carry the A.A. message of experience, strength and hope to the still-suffering alcoholic; and 2) to provide services to A.A. as a whole that individual groups cannot usually manage, such as the publication of A.A. literature. The A.A. group is the fundamental unit supporting A.A. recovery, unity and service.

-
- 1 To participate fully, a group lists itself 1) with the general service structure (G.S.O., Area and District); and 2) with the local intergroup/central office.
 - 2 Once a Group ID number is assigned and becomes part of a group’s historical record, the number remains with the group and is not usable by any other group.
 - 3 Guidelines for naming an A.A. group are based on “group conscience” as expressed through the annual General Service Conference. “The A.A. Group” pamphlet, the basic guide for all groups in the U.S. and Canada, suggests that a group avoid choosing a name that might suggest affiliation with any organization, club, political or religious institution. New groups are also advised to avoid names that refer to “family,” “double trouble,” “alcohol and pills,” or the name of any actual person, living or dead.

DCM Report

Area Assembly is this coming weekend. Look at your emails for SETA Announce for the agenda. Sorry I did not put in the agenda before I sent it out. If you need a copy, email me. Please make it a NEW email and not respond to the D40 mass email or it will get lost in that string.

We are sliding into the last quarter of this rotation. I figured I would try to get some closure on some of the things we still are working on. A district inventory was requested at the end of the last rotation and we conducted it at the beginning of this run. We still have some work to do on this, and I wanted to rewrite the P&P manual for our district. It would be better to have more input on these since it is for the future of this district. So, let me know if you have some time to put in on these topics.

Mike will be talking about the storage in a few minutes but I think we need to put it out there and see if we need to keep stuff.

Here is an outline of how I see the rest of the year's district meeting playing out. This is not in stone, it is just "Etch-A-Sketched" in my head.

Aug. - GSR Topic will be on 3rd legacy voting, out of the service manual

Sep. - will be elections and talking about SWRAASA

Oct. - will be budget for next year, with newly elected position holders to be able to

Nov. - will be open so far....

Dec. – little party – transfer of items to the next trusted servant.

ALT. DCM Report

District 40, I hope that everyone is recovering well from the storm. I know there have been some groups unable to meet because of power issues. Please let me know how I can best serve you and

your homegroup, so that we can carry out our primary purpose.

Storage Unit: Our old storage unit facility decided to raise our monthly rate and would not allow us to negotiate it. I needed to scramble to find a new facility that would be friendlier to our budget. Some of you may know, that is not so easy right now. I was able to secure one and get our stuff moved out. We are paid up until January for the new unit, and this company is more open to negotiating rates.

The District Inventory Ad Hoc Implementation; Planning Committee has not been put together or scheduled. This committee will be involved in helping to plan and implement all the considerations from the D40 Inventory. Please come see me or Doug if you would like to be involved in this. This is your District, and these were your considerations, let us know if you want to help get them implemented.

D40 Workshops: Part of what came out of those considerations was for District 40 to do workshops. These will be held quarterly, so the first one will be July 17th. Our online group, The 4 Horseman, will host this one. More to come!

Traditions Dinner: The date for this will be Saturday, August 17, 2024. Most of you should have received the flier for this through SETA Announce. I have two speakers flying in from Colorado, Jack W from Carbondale, CO and Judy L from Westminster, CO. They have spoken together, most recently in Australia. They are both super excited to come to Houston! If you and/or your group wants to help with the dinner, please let me know. Physical help is always appreciated and needed, but if your group would like to contribute monetarily, that would be awesome.

Through love and service,
Mike

GSR Section – Approx. 40 minutes

New GSR – introductions, tell us about your home group.

No new GSRs

Topics:

• Items we have in storage, should we keep them?

Theresa – Is there stuff in storage that we need to keep? A. Yes

Marilyn – We should donate the stuff to big clubs like Woods, Spring Branch, or Bellaire.

Juan – is the content worth more than \$360, which is the cost of renting a storage unite for one year? A. Yes

• Any issues in your home groups?

Peggy – group wants to start a Steering Committee. Does anyone have experience with this?

Mike B. – not common in our area but he will put her in contact with someone in Maryland who is familiar.

Hannah S. – her group is run by a steering committee. She will get Peggy some information.

• Who is a voting member at district meetings

Doug - all GSRs and elected officers. (in their absence their Alt can vote)

A Study of AA's interactions with the public.

Learn how AA informs the public about what AA is and isn't. What information is presented to the professional community? How is this information tailored to the specific audience receiving the information? Get information on how you can help identify opportunities for these committees to spread information about AA to those who can best help still suffering alcoholics.
