Our 12<sup>th</sup> step, carrying the message, is the basic service that the A. A. Fellowship gives. An A.A. service is anything that helps us to reach a fellow sufferer. These services whether performed by individuals, groups, areas, or A.A. as a whole, are utterly vital to our existence and growth. We therefore must pose one question: is this service really needed? If it is then maintain it we must, or fail in our mission to those who need and seek. *A.A. General Service Manual, pg. 51.*
