

Financial support from groups is vital to ensure the AA service structure functions at full strength, providing essential services to make more and better 12th step work possible. Groups are encouraged to adopt a specific contribution plan, through an informed group conscience, for each of the AA service entities. No contribution toward carrying the message is too small.

CONCEPT TWO

"The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole society in its world affairs."

THE CONFERENCE LISTENS THEN SPEAKS

Once the group shares its conscience, the Conference develops a collective conscience, via "Conference Actions" so that effective action can be taken by chosen service representatives (i.e. General Service Board Trustees, A.A. World Services, Inc., A.A. Grapevine, Inc.) who are given operational authority.

Ok, so why them?

How could thousands of A.A. groups actually manage A.A. world services? Talk about a hot mess that would be!

The conference listens to the groups, then speaks, thereby passing execution responsibility onto the appropriate service entity tasked with implementation. No action is to be carried out unless the conference directs action to be taken.

District 70 will hold GSR-specific training ...

... at 6:30 pm, just before each month's District Committee Meeting. The training will focus on general service and the GSR's role in the AA service structure. We plan to cover topics such as giving reports to your home group, what to expect at Area Assemblies, how to prepare for district meetings, where 7th Tradition monies go, and more. These valuable sessions will also allow GSR's to share best practices with each other, voice group concerns, and suggest additional training topics. Please contact Alt DCM Sara B. at sara.b@aa-seta.org.
