

Financial support from groups is vital to ensure the AA service structure functions at full strength, providing essential services to make more and better 12th step work possible. Groups are encouraged to adopt a specific contribution plan, through an informed group conscience, for each of the AA service entities. No contribution toward carrying the message is too small.

My brother went to his AA meeting drunk, then he tripped down the stairs...
...He's been having lots of trouble with the steps lately

After the AA meeting, the ghost finally admitted it...
...He has a boos problem.

I would go to Alcoholics Anonymous...
...But everyone already knows.

CONCEPT FIVE

“Throughout our world service structure, a traditional ‘Right of Appeal’ ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.”

Trusted Servants Have a Right of Appeal

The right of appeal means that if someone is unhappy with a decision made by an authority or organization, they have the right to request a review of that decision by a higher authority or independent body. This is a way to ensure that decisions are fair and just, and that individuals have a chance to challenge decisions that may negatively affect them.

After each vote on a policy in AA, the minority opinion is allowed to speak to protect their views. If the motion gets a majority vote but fails to pass due to lack of a two-thirds vote, the majority may speak. This protects the minority from being overruled by an uninformed, misinformed, majority
