

## **Area Assembly DCM Report**

**January 2025 - Submitted 12/17**

**District 82 DCM Report:** I am excited and humbled to step into the DCM position for 2025 & 2026. I hope to be able to assist with outreach to inactive groups, creating more district events, and outreach to the non-AA community through my service. We will look at our last group inventory to accomplish our goals as a group. With the IT position filled, we are now offering hybrid meetings as an option to attend District meetings. Last month I attended meetings outside of the Angleton/Brazosport area that are less active with the district. There was some positive feedback and interest in the hybrid option from these groups. Our district will begin discussion of quarterly events, to include roundtable discussions, workshops, and unity activities. The district committee will also review community activities to determine where and how AA can best carry the message. Fresh Start, in West Columbia, is a new group that has been formed and registered with GSO! We also have members working to create a group for the homeless in Freeport! Big things are happening as we follow His direction, stay tuned for more!
